

Interactive Display Trailer

Build consumer awareness wherever you go. Brilliant graphics accent the trailer's interior, both entertaining and educating the consumer. The fully functional, slide-out unit showcases the quiet and efficient operation of the Acclimate™ System.

Program Includes:

- Trailer
- Decal package
- All ductwork
- See back page for complete list

Interactive Display Trailer

Eye catching graphics on the display generates buzz on the road and off.

"This trailer is an excellent tool for dealer training and retention while driving brand recognition and consumer awareness."
