

It's time to get comfortable™

Get a “Cool” deal on a York Interactive Display Trailer and turn up the “Heat” on Sales.

www.totalidentitysolutions.com

Eye catching graphics make this display a moving billboard as it travels between events. Park it at an event and watch the crowd assemble.

***“This trailer is an excellent tool for dealer training and retention while driving brand recognition and consumer awareness.” Richard Hicks
United Products Distributors***

Consumer awareness information as well as miniature designer color unit graphics makes the walk through design both entertaining and educational.

The fully functional, slide out unit showcases the quiet and Efficient operation of the Affinity System.
